

of this section, the Board shall include a written certification that:

(1) The debtor owes the United States a debt, including the amount of the debt;

(2) The Board has complied with all applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The Board has complied with the requirements of the applicable provisions of the Federal Claims Collection Standards, the Railroad Retirement Act and the Railroad Unemployment Insurance Act including any required hearing or review.

(c) When the Board decides to request administrative offset under paragraph (a) of this section, it should make the request as soon as practical after completion of the applicable due process procedures in order that the Office of Personnel Management may identify and flag the debtor's account in anticipation of the time when the debtor becomes eligible and requests to receive payments from the Fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least a year has elapsed since the offset request was originally made, the debtor will be permitted to offer a satisfactory repayment plan in lieu of offset upon establishing that changed financial circumstances would render the offset unjust.

(d) In accordance with procedures established by the Office of Personnel Management, the Board may request an offset from the Civil Service Retirement and Disability Fund prior to completion of due process procedures.

(e) If the Board collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, the Board shall act promptly to modify or terminate its request for offset under paragraph (a) of this section.
